

AVAILABLE SAFETY LESSONS

*** Has Video**

Completed in May

Completed in April

Completed in March

Abuse and Domestic Violence Reporting*
Acetone Safety*
Acetylene Safety
Aerator
Aerial Climbing Safety
Aerial Lift – 20 Msp Drivable Stock Picker*
Aerial Lift Equipment*
Aerosol Transmissible Diseases
Aggregate Crusher Safety
Aggressive Clients (Medical)*
Agriculture: Dust Exposure
Agriculture: Harvesting Crops
Agriculture: Safely Caring for Farm Animals
Agriculture: Spraying Crops
Agriculture: Using Hand and Power Tools
Air Compressors*
Air Driven Fluid Pump
Air Driven Gas Booster Pump Safety*
Air Gun Safety
Air Hose Safety*
Airborne Contaminants*
Airborne Filters
Alcohol in the Workplace*
Allergic Reactions to Latex*
All-Purpose Joint Compound Safety *
Allyl Propyl Disulfide
Ambulance Disinfection Safety
Ammonia Safety*
Ammonium Perchlorate
Amusement Park Hazards
Anaphylactic Shock
Anhydrous Ammonia Safety: Agriculture
Anhydrous Ammonia Safety: Industrial Refrigeration Processes
Animal Carcass and Waste Disposal*
Animal Handling Safety*
Animal Hospital: Working with Disgruntled Dogs*
Animal Processing Safety*

Animal Processing Safety: Rendering*
Anthrax
Anticipating Accidents*
Antifreeze Spills
Appliance Repair Safety
Apprentice Safety*
Arc Welding and Cutting *
Architectural Landscaping
Argon
Art Studio: Ceramics
Art Studio: Glass Blowing
Art Studio: Metalworking and Cutting
Art Studio: Painting and Paint Making
Art Studio: Sculpting and Molding
Asbestos Safety*
Asphalt Loader and Shoulder Machine*
Asphalt Paving Machine Safety*
Asphalt Safety
Asphalt: Compactor/Roller Safety*
Asphalt: Transfer Buckets Safety*
Assisted Living Safety
Assisted Living Safety: Dementia Patient and ADLS
Assisting Coworkers with Medical Emergencies*
Attaching Steel Ladders to Steel Tanks*
Attic Safety Guidelines
ATV Safety
Auto – Propping Up Vehicles*
Auto Auction Safety*
Auto Body Frame Straightening Equipment*
Auto Industry Safety*
Autoclave Safety
Automated Guided Vehicle Safety*
Automatic Pressing Line Safety*
Automatic Screen-Printing Machine
Automotive Metal Sanding*
Automotive Painting Safety*
Automotive: Airbag Replacement*
Automotive: Brake Repair and Replacement*
Automotive: Oil Changes*
Avian Flu
Avoiding Dog Bites*
Awareness of Your Surroundings (Spatial)*
Axe Safety*

AVAILABLE SAFETY LESSONS

Back to Work Safety*
Backhoe Loader: Safe Operations
Backs and Lifting*
Baggage Handling Safety
Baler: Shredder Safety*
Band Saw Safety*
Barrel Handling*
Batch Roller Safety*
Bathroom Sanitation (Sanitation and Personal Hygiene) *
Bats*
Batter and Breeding Machine*
Battery Acid Spill Plan
Battery Handling Safety
Bed Bugs
Beds: Handling, Lifting, and Making
Bee Safety
Belt Sanders (Class B)
Benzene
Bicycle Safety
Birthday Safety Guidelines*
Bleach Safety*
Blister Packaging Machine Safety*
Blood Pressure, Stroke & Heart Attack
Bloodborne Pathogen Safety: Medical*
Bloodborne Pathogens*
Boats: Small Craft Safety
Boatswain's Chair
Bobcat Safety
Boiler Room Safety
Bomb Threat*
Boning Knife Safety*
Boom Lift Safety
Boric Acid
Boring Operations
Botulism*
Bowl Chopper Safety*
Box Cutter Safety*
Box Handling and Stacking*
Box Scraper Safety*
Brewery: Centrifuge Safety*
Bridge Saw Safety*
Brine Mixer and Tank Safety*
Buffing and Polishing Metals
Building Access Control
Building Evacuation *
Building Lockdown*
Bulldozer Safe Operations
Bullying in the Workplace*
Burns: Kinds & Treatment*
Butcher and Meat Packer Safety*
Cadmium Exposure
California Roofing: Fall Protection*
California: Cell Phone Use While Driving*
California: Transportation of Cannabis
Calling 911
Cannabis (Marijuana) in the Workplace*
Cannabis Worker Safety*
Capsule Encapsulation Machine Safety*
Car Battery Safety and Handling
Car Lift Safety
Car Wash Safety*
Car Wash: Hand Wash*
Car Wash: Vacuum Safety*
Carbon Dioxide (CO2) in Growing Facilities
Carbon Dioxide Fire Extinguisher*
Carbon Dioxide Safety
Carbon Monoxide Safety
Cardboard Baler Safety
Carpet Cutting Machine Safety*
Carpet Installation Safety
Carpet: Steam Cleaning Safety*
Cart Safety
Cartoner Machine Safety*
Case Clamp Machine Safety*
Cell Phone Emergency Use
Cell Phone Use at Work - Restaurant
Cell Phone Use at Work – Restaurant
Cell Phone Use at Work (Prohibited)*
Cell Phone Use at Work*
Cell Phones: Distraction Hazard*
Cellulitis
Cement Mixer Cleaning and Maintenance
Cemetery Worker Safety
Centrifuge Safety*
Chain Hoist Safety
Chainsaw Safety*
Cheese Cutting Machine Safety*
Cheese Mold Safety
Chemical Handling Safety
Chemical Storage Safety*
Chip Saw Machine
Chlorine Dioxide*
Chlorine Safety
Chocking Wheels Safely
Chop Saw Safety*
Chromic Acid Safety
Chromium-6
Circular Saw Safety*

AVAILABLE SAFETY LESSONS

Clean in Place (CIP) Machine
Cleaning and Disinfecting Reusable Respirators*
Cleaning and Disinfecting: Fog Disinfecting Procedures*
Cleaning and Disinfection Safety*
Cleaning and Sanitizing Eating Utensils*
Cleaning Candy Production Equipment*
Cleaning Kettle Smoke Enclosure Doors
Cleaning Spiderwebs Safely
Cleaning Up Body Fluids*
Cleanroom Good Manufacturing Practices (GMP)*
Close Calls*
CNC (Computer Numeric Control) Machine Safety
CNG and Hydrogen Safety
CNG Fueling Safety
Cockroach Safety*
Cold Press Juicing*
Cold Storage Facility Safety*
Cold Storage: Escape Safety *
Cold Stress – Working Under Cold Conditions*
Collecting and Disposing of Batteries*
Collection and Disposal of Drilling Lubricant*
Combination Vertical Belt Sander and Lathe Safety
Combustible Dust
Commercial Laundry: Automatic Folder*
Commercial Laundry: Tunnel Washer*
Commercial Laundry: Washer and Dryer*
Commercial Stand Mixer Safety*
Communication in the Workplace*
Compressed Gas Safety
Computer Screen Safety*
Concentrated Acid-Free Wheel and Tire Cleaner
Concentrated Car Soap with Wax
Concentrated Glass Cleaner
Concentrated High Gloss All-Purpose Dressing
Concrete and Cement Safety
Concrete Boom Pumps
Concrete Chipping - General
Concrete Chipping Mixing Truck
Concrete Construction Safety
Concrete Cut-Off Saw*
Concrete Podium Safety
Concrete: Connecting Steel I-Beams
Concrete: Connecting Tanks to Post Set Wedge Anchors
Concrete: Connecting Tanks to Preset and Post Set Wedge Anchors
Concrete: Pouring Concrete for Multi-Story Buildings
Concrete: Putting in Wedge Anchors
Concrete: Putting in Wedge Anchors
Confined Space*
Confined Space - Air Testing*
Confined Space - Boiler Entries*
Confined Space – Non-Permit Required*
Confined Space Monitor*
Confined Space: Cargo Tank Truck Safety
Conflict – Remaining Calm during Confrontation*
Connecting Carbon Stainless Steel Pipes to Tanks
Connecting High Pressure Pipes to Hoses
Connecting High Pressure Pipes to Tanks
Connecting Steel Handrails to I-Beams
Connecting Steel I-Beams Together
Connecting Steel Stairs to I-Beams
Construction Laser Safety*
Construction Recycling: Mixing of Hazardous Chemicals or Paints*
Construction Site Operations*
Construction Site: Hypodermic Needles*
Construction: Barricades and warning devices*
Construction: Barricades, Warning Devices, and Street Safety
Construction: Crawler Safety
Construction: Mental Health*
Construction: Music on Worksites*
Construction: Preventing Fires at Worksites
Construction: Safe Work Zones*
Construction: Scaffolding Inspections*
Construction: Work at Night Safety*
Construction: Work Boots*
Construction: Working Around Empty Pools*
Construction: Working in an Active Hospital*
Contaminated Laundry*
Contaminated Sharps*
Conveyor Belt Installation Safety*
Conveyor Belt Safety*
Cooking Alcohol in Manufacturing*
Cooking: Charbroiler Safety*
Cooking: Combi Steam Oven*
Cooking: Deep Fryer *
Cooking: Dicer Machine Safety*
Cooking: Flat Grill Safety*
Cooking: Meat Slicer*
Cooking: Salamander Safety*
Cooking: Steam Kettle Safety*
Core Drilling Safety
Corner Machine (Corner Inserters) Safety*
Coronavirus (2019-nCoV)
Corrosive Safety

AVAILABLE SAFETY LESSONS

Counterbalance Stacker Safety*
COVID-19 Prevention Plan
CPR - Cardiopulmonary Resuscitation*
CPR: Cardiopulmonary Resuscitation*
Crane Lifting*
Crane: Mobile Crane Safety*
Cranes: Sling Crane Operation*
Cranes - Standard Hand Signals for Crane Operation
Cranes*
Crematory: Cremains Processor
Crossing Guard Safety
Cuts Lacerations and Punctures*
Cutting Oil Spills*
Cyanide Safety
Cybersecurity*
Cybersecurity: Phishing, Multi-Factor Authentication, and Passwords*
Dairy Worker Safety*
Daycare (Child Care Centers): Evacuation
Dealing with Aggressive People in the Workplace*
De-Escalation Safety*
Defensive Driving Practices*
Deionized Water
Delivery Driver Safety *
Demolition: Asbestos *
Demolition: Carpet Floor Removal
Demolition: Concrete or Stone Floor Removal
Demolition: Confined Spaces
Demolition: Debris Removal
Demolition: Electrical Safety
Demolition: Explosives Safety
Demolition: Fire Prevention
Demolition: Lead
Demolition: Linoleum, Vinyl, and Tile Floor Removal
Demolition: Mechanical Demolition
Demolition: Personal Protective Equipment (PPE)*
Demolition: Removing Chimneys
Demolition: Removing Walls
Demolition: Silica
Demolition: Storage
Demolition: Wood Floor Removal
Denatured Alcohol Safety*
Dental: Beryllium
Dental: Silica Dust
Dental: Waste Gases
Dermatitis in the Workplace
Designated Walkways
Detention Facility Worker
Dethatching Machine
Developing Good Work Habits*
Diabetic Emergency
Diaphragm Pump Safety*
Diesel Spill Safety Procedures
Diesel Storage Tank Safety*
Dipping and Coating Operations
Directional Boring – Underground
Discrimination in the Workplace*
Diseases in the Bathroom*
Dispensing Chemicals*
Distracted Working: Construction *
Distracted Working: Office*
Distracted Working: Warehouse*
Downed Power Lines Safety
Drill and Tap Machine
Drill Press Safety*
Driver Vehicle Inspection*
Driverless Tractor Safety
Driving Company Vehicles: Breaking Down*
Driving Defensively
Driving in Inclement Weather*
Driving Industrial Vehicles*
Driving Safety*
Driving Vehicles with Trailers*
Driving While Tired*
Driving: Accident Reporting*
Driving: Avoiding Accidents*
Driving: Back to School*
Driving: Backing into Docks*
Driving: Car Accident
Driving: Car Accident*
Driving: Distracted Driving*
Driving: Fog Safety*
Driving: Hills and Narrow Road Safety*
Driving: Non-Emergency Van Transportation for Healthcare*
Driving: Over-The-Road Truck Driving*
Driving: Parking Lot Accidents*
Driving: Railroad Crossings*
Driving: Reversing Safety*
Driving: RV Safety*
Driving: Wheelchair Vehicle Safety
Drone Safety*
Drone Safety: Agriculture*
Dry Cleaner Safety
Dry Ice Safety*
Drywall Safety
Drywall: Taping and Sanding
Dump Truck Safety*

AVAILABLE SAFETY LESSONS

EAP (Emergency Action Plan) *
Earthquakes: Aftershocks*
Earthquakes: Before, During & After *
Eating and Drinking in the Workplace*
Ebola Safety
E-Cig/Vaping in the Workplace*
Egg and Poultry Worker Safety*
Electric Order Picker
Electric Plumbing Snake Safety
Electric Reach Lift
Electric Shock (High Voltage) Emergency Response
Electrical Arc Flash*
Electrical Panel Safety*
Electrical Soldering Safety*
Electrical Substations
Electrical: Preventing Accidents*
Electricity - High Voltage Lines
Electricity: A Basic Understanding*
Electricity: Low Voltage*
Electricity: Working Near High Voltage Power Lines
Electricity: Working on Low Voltage Energized Equipment*
Electricity: Working Safely Around Electricity*
Electroplating Safety*
Elevating Scraper Safety*
Elevator Emergency Procedures
Emergency Fire Escape Rope Ladder
Emergency Medical Technician Safety
Emergency Shower Stations
Employee Safety Responsibilities*
Enamel Safety
Encountering Homeless People on Jobsites*
ESD: Electrostatic Discharge*
Etiquette in the Workplace *
Evacuation Procedures: HIV AIDS*
Excavation Safety-Preventing Cave-Ins*
Excavation Safety-Utilities*
Excavation Soil Grades*
Excavation: Dust*
Excavation: Guardrails*
Excavations and Trenching*
Excavator Safe Operation*
Exiting Trucks Safely
Exits and Egress*
Exothermic Welding
Explosive Safety (Class 1.4S)
Exposed Energized Lines
Extension Cord Safety*
Eye Wash Stations*
Factory Safety
Fall Protection: Construction*
Fall Protection: General Industry *
Fall Protection: Harness Safety*
Fall Protection: Holes and Floor Openings*
Fall Protection: Rescue Poles
Fall Protection: Trenches*
Farm Tractor Implements
Fatigue Risk Management*
Federal Roofing: Fall Protection*
Fiberglass: Grinding, Drilling, and Cutting*
Fiberglass: Insulation Safety*
Fire Ant Safety*
Fire Extinguishers*
Fire Extinguishers: Inspections*
Fire Hazards in the Workplace*
Fire Hazards in the Workplace: Fuels*
Fire Hazards in the Workplace: Ignition Sources*
Fire Safety - Stop, Drop, and Roll*
Fire Safety and Prevention*
Fire Sprinkler Systems*
Fire Sprinklers: Inspection Safety*
Fire Sprinklers: Installation Safety*
Fire Watch
Firebreak Clearing Safety
First Aid Kit: Where and What (Cal/OSHA)
First Aid Kit: Where and What (Federal OSHA)*
First Aid: Basics*
First Aid: Bleeding Control*
First Aid: Bone Fractures and Breaks *
First Aid: Burns*
First Aid: Concussions*
First Aid: Cuts, Lacerations, and Punctures*
First Aid: What Is It*
First-Aid: Shock: What It Is & How to Treat It*
Fishing Industry Safety
Flagger Safety*
Flammable Liquid Storage*
Flammable Liquids: Safe Handling
Flammable Storage Cabinets
Flashlight Safety*
Flexo Printer Safety*
Floor Scrubber Safety*
Flow Forming Machine Safety
Flu Season Tips for Staying Healthy*
Food Defense*
Food Grinder Safety*
Food Handling: Cleaning and Sanitation*
Food Handling: Cross Contamination*

AVAILABLE SAFETY LESSONS

Food Handling: Food Receiving and Storage*
Food Handling: Personal Hygiene*
Food Handling: Time and Temperature Control*
Food Harvesting and Handling*
Food Manufacturing: Nitrogen Safety*
Food Packaging: Allergy Awareness*
Food Poisoning: The 4 C's*
Food: Automated Bar Cutter Machine Safety*
Food: Automated Bar Cutter Machine Safety*
Food: Extruder Safety*
Food: Extruder Safety*
Food: Safely Removing Gristle from Meat*
Food: Vacuum Sealer Safety
Foodborne Illness*
Foreign Object Damage (FOD)
Forklift Refresher*
Forklift Safety*
Forklift Safety: Pedestrians*
Forklift: Battery Charging*
Forklift: Boom Attachment Safety
Forklift: Bulldozing and Free Rigging*
Forklift: Changing Battery
Forklift: Narrow Aisle Reach Truck Safety*
Forklift: Propane Tank Safety*
Forklift: Secured Work Platforms*
Forklifts – Securing and Transporting Loads*
Forklifts: Truck Mounted*
Forklifts: Inspections*
Formaldehyde
Formalin Safety
Forms, Falsework, and Shoring
Foundation Construction Safety
Framing Safety
Framing: Steel
Framing: Wood
Freezer Safety*
Freight Elevator Safety: Loading and Unloading*
Freight Elevator Safety: Proper Handling of Doors and Controls*
Freight Elevators: Motor Vehicle Safety
Freon Safety
Front-end Loader Safety*
Full Body Stretches: Arms and Shoulders*
Full Body Stretches: Back and Waist*
Full Body Stretches: Hands and Wrists*
Full Body Stretches: Legs*
Fumigation Safety
Funeral Home Worker Safety
Furniture Store Safety
Gang Rip Saw Safety
Gantry Crane Safety
Gardoclean Safety
Garment Carousel
Gasoline Safety*
Generator Safety*
Glass Cutting Safety
Glass: Handling Glass Safety
Glass: Installing Glass Safely*
Glue Gun Safety*
GoJak Safety
Golf Cart Safety*
Good Food Manufacturing Practice*
Good Food Manufacturing Practices Basic*
Good Housekeeping*
Good Hygiene Practices*
Good Manufacturing Practices (Non-Food Manufacturing Facilities)
Good Manufacturing Practices: Processing Plant
Grain Handling Safety*
Gravity Roller Conveyor*
Green Waste Recycling: Construction Waste
Greenhouse and Nursery Safety*
Grinders: Bench Grinder Safety
Grinders: Portable Grinder Safety*
Grounding and Bonding
Grout Pump Safety
Grove Ladder Safety
Guarding Machines*
Guardrail Safety
H2S Monitor
Hair Entanglement*
Halon Fire Extinguishers
Hand Protection*
Hand Tool Safety*
Handling Biohazardous Waste
Handling Chemicals Safety*
Handling Fire Damaged Items
Hantavirus*
Harvesting Grapes *
Hay Bale Handling and Stacking
Hazard Communication and GHS*
Hazard Communication: GHS Labels*
Hazard Communication: Pictograms*
Hazard Communication: Safety Data Sheets (SDS) *
Hazardous Items and Temporary Public Storage
Hazardous Material (Hazmat) Suits
Hazardous Waste: Accumulation
Heart Attack

AVAILABLE SAFETY LESSONS

Heat Gun Safety
Heat Illness Prevention*
Heat Illness Prevention: Acclimatization*
Heat Illness Prevention: High Heat*
Heat Illness: Hydration*
Heat Illness: Indoor Workplace*
Heat Illness: Supervisor Training*
Heat Sealer Safety*
Heavy Equipment Safety*
Hedge Trimmer Safety
Helicopter: Communications
Helicopter: Refueling
Helicopter: Safety
Helium
Hepatitis A*
Hepatitis B*
Hernia Prevention*
High Gloss Tire Dressing
High Voltage Testing Safety
HIPPA: Security Rule*
HIPPA: Breach Notification Rule*
HIPPA: Privacy Rule*
Hoists: Power Hoist Safety*
Horizontal Band Saw Safety
Horseback Riding Safety*
Horseplay in the Workplace*
Hot Air Pencil Safety*
Hot Work Permits*
Hot Works
Hot-Line Equipment Maintenance
House and Building Moving
Household: Cooking Safety*
Housekeeping for the Office*
Housekeeping Rags
Hurricane Safety: Before the Storm*
Hurricane Safety: Weathering the Storm*
Hydraulic Power Tools
Hydraulic Safety*
Hydraulic Tilt Table Safety
Hydraulic Tire Press Safety*
Hydraulic Vertical Tire Shear Safety*
Hydroblasting*
Hydrochloric Acid
Hydrofluoric Acid
Hydrogen Peroxide
Hydrogen Sulfide (H₂S) Monitor
Hydrogen Sulfide Safety
Hydroseeder Safety
Hydrostatic Pump

Ice Resurfacing Equipment
Ice Resurfacing Machine Blade Changing Safety*
Ice Skate Sharpening Machine Safety*
Independence Day Safety
Industrial Core Cutting Machine Safety*
Industrial Injuries
Industrial Paper Shredder Safety
Industrial Vacuum Safety*
Infection Control
Injection Molding Machine Safety
Injury and Illness Prevention Program (IIPP)*
Insect Safety
Insulation Tester Safety
Interoffice Workplace Conflict*
Intoxicated People - Valet
Ironworker Machine Safety
Irrigation Safety
Isocyanate Safety
Isopropyl and Ethyl Alcohol Safety*
Jackhammer Safety*
Janitorial Cleaning and Scrubbing Tile Walls*
Jointers and Hand Fed Planers
Jumping Jack Compactor/Rammer
Kennel Worker Safety*
Kennel: Cage Cleaning Safety*
Kennel: Feeding Safety*
Kennel: Grooming*
Kennel: Safely Administering Medication*
Kennel: Safely Exercising Dogs*
Kennel: Safely Rewarding Dogs*
Kitchen Fire Prevention and Safety*
Kitchen Safety*
Kneeling and Squatting Techniques*
Knife Safety*
Lab: Aseptic Technique Safety*
Lab: Bleach Solution*
Lab: Chemical Hygiene*
Lab: Dissection Safety*
Lab: Ethanol Solution Safety*
Lab: Explosion Safety*
Lab: Fume Hood Safety*
Lab: Outdoor Fieldwork Safety*
Lab: Personal Protective Equipment*
Lab: UV Sterilization Safety*
Lacquer Thinner Safety*
Ladder Selection
Ladder Storage
Ladders*
Landfill Safety

AVAILABLE SAFETY LESSONS

Landscape: Rototiller Safety
Landscaping: Backpack Sprayer Safety*
Landscaping: Brush Clearing
Landscaping: Coyote Safety*
Landscaping: Digging Holes for Plants and Trees
Landscaping: Irrigation
Landscaping: Lawn Edger Safety
Landscaping: Pole Saw Safety*
Landscaping: Safely Working on Center Dividing Road
Medians
Landscaping: Snakes
Landscaping: Steep Slope Safety
Laser Cutter Safety*
Laser Safety
Laser Scanner Safety
Lathe Safety
Lawn Mowers – Pushing *
Lawnmowers – Ride On
Lead Safety*
Lead Soldering Safety
Leaf Blower Safety
Legionnaires Disease and Pontiac Fever
Lice*
Lifeguard Safety*
Lift Gate Safety*
Lift Table
Lifting Appliances Safely
Lifting*
Lighting Truss
Lighting, Nightwork, and Illumination
Lighting: Fixture Installation Safety*
Liquid Nitrogen Safety*
Lithium Batteries: Handling and Transport
Lithium Battery Fire Safety
Live Line Tools
Load Securement
Loading All-Terrain Vehicles Safely
Loading and Unloading Agricultural Irrigation Pipe from Trailers
Loading and Unloading Stone Slabs*
Loading Dock Procedures*
Loading Hay
Lockout/Tagout (LOTO): Affected Employees*
Lockout/Tagout (LOTO): Authorized Employees*
Log Splitter Safety *
Loose Clothing, Long Hair, and Jewelry Safety*
Lubricant Safety*
Lunch and Breaks*
Machine and Tool Safety*

Machine Guarding: Hand Restraints*
Machine Safeguards*
Machine Shop Safety
MagneGas
Malaria*
Management - Heat Illness Weather Monitoring
Management : 300 Logs*
Management : Accident-Incident Investigation*
Management: Anhydrous Ammonia
Management: Auditing Safety Programs*
Management: Behavior Based Safety*
Management: Cal/OSHA 3205 Covid-19 Prevention
Management: Cal/OSHA Energy Control (Lockout/Tagout) Program*
Management: Cal/OSHA Inspections*
Management: Cal/OSHA Multi-Employer Responsibilities*
Management: California Assembly Bill 2537
Management: California Assembly Bill 685
Management: California Hazardous Materials Business Plan (HMBP)*
Management: California Violence Prevention in Healthcare Program*
Management: Cannabis Security
Management: Carcinogen Reporting*
Management: Code of Safe Practices as Part of a Safety Plan*
Management: Construction Site Sanitation and Waste Facilities
Management: COVID-19 Guidance from Federal OSHA and the CDC
Management: COVID-19 Prevention Plan
Management: Discipline in the Workplace*
Management: Drug Testing*
Management: Drugs and Alcohol in the Workplace*
Management: Earthquake Preparedness*
Management: Electrical Assured Equipment Grounding Conductor Program
Management: Employee Handbooks
Management: Energy Control (Lockout/Tagout) Program*
Management: Fall Protection for the Erection and Dismantling of Scaffolds*
Management: Fall Protection Systems (Guardrails)
Management: Fall Protection Systems (Personal Fall Arrest System Requirements and Inspections)
Management: Federal Emergency Action Plan
Management: Federal Hazard Communication Program
Management: Federal OSHA Inspections*

AVAILABLE SAFETY LESSONS

Management: Federal OSHA Multi-Employer Responsibilities*

Management: Fire Warden Training*

Management: General Industry Sanitation and Waste Facilities

Management: Guarding Machinery by Location

Management: Half Facepiece Respirator*

Management: Health Screenings*

Management: Horseback Riding Safety*

Management: Impairment in the Workplace

Management: Impalement Hazards

Management: Infectious Disease and Response Plan

Management: Injury and Illness Prevention Program - IIPP*

Management: Large Quantity Generator*

Management: Office Romance*

Management: Oregon – Temporary Heat Illness Standard

Management: Oregon Temporary COVID-19 Rule

Management: Particulate Respirators and Comfort Masks*

Management: Pool Safety*

Management: Preventing and Handling Sexual Harassment*

Management: Process Safety Management Program (Cal/OSHA)

Management: Proposition 65

Management: Reporting Work Related Injury and Illness*

Management: Respirable Crystalline Silica*

Management: Risk Assessment*

Management: Safety Data Sheet*

Management: Safety Incentive Programs

Management: Safety Programs*

Management: Small Quantity Generator

Management: Supervisor Responsibilities*

Management: Tires

Management: Tower Crane Safety

Management: Training Your Employees*

Management: Types of Respirators

Management: Wildfire Smoke

Management: Window Washing Operating Procedures Outline Sheet (OPOS)

Managing and Reducing Stress*

Manure Pit Safety

MAPP Gas

MAPP Gas: Hot Work

Masonry Safety

Material handling: Lifting*

Material Handling: Safe Operations*

Material Handling: Sharp Metal Objects*

Meat Injector Safety*

Meat Mixer Safety*

Medical: Autoclave Safety*

Medical: Phenol Safety*

Medical: Pregnant Employee Safety

Medication in the Workplace*

Meningitis Prevention

Mental Health*

Metal Edges – Laceration Hazards

Metal Pipe and Tube Bending Machine Safety*

Meter Pits: Spiders and Insects Safety*

Methane Gas Safety

Methanol Safety

Methyl Ethyl Ketone

Methylene Chloride

Methylene Chloride: Respiratory Protection

Methylenedianiline

Mezzanine Safety

Microwave Transmission

Milling Machine Safety

Mines: Stockpile Safety*

Mini Excavator Safety*

Miter Saw Safety

Mobile Column Lift

Mobile Equipment Safety*

Mojave Rattlesnakes

Mold Safety*

Mold: Cleanup in Confined Spaces*

Mold: Demolition and Tear-Out Safety for Mold Damage*

Mold: Procedures for Cleaning Mold Safely

Molten Aluminum Safety

Molten Salt Safety

Monorail Crane Safety*

Mopping Safety*

Mortar Mixing

Motor Grader Safety*

Motorcycle Recovery and Towing

Mulch Blower Safety

Multiple Lift Rigging Procedure

Musculoskeletal Injury Hazard Identification*

Musculoskeletal Injury Prevention (Construction)*

Musculoskeletal Injury Prevention (Hospitality) *

Musculoskeletal Injury Prevention (Medical)*

Nail Gun Safety*

Nail Pulling Safety

Natural Gas

AVAILABLE SAFETY LESSONS

Naturally Occurring Radioactive Material (NORM)
Night Shift Safety*
Night Shift Safety: Split Shift Safety*
Nitric Acid*
Noise-Induced Hearing Loss *
Notcher Safety*
Office Ergonomics*
Office Operations*
Office Safety*
Oil Rig Tongs
Oil Spill Plan*
Oil Spill Safety Procedures*
